ACTIVITIES

We proud ourselves in innovative activities that convey a wide range of theme's - With over 20 years of international experience there is something for everyone at Taaibosch

THE FACILITIES

Our dormitories are equipped with pine bunk beds with great mattresses and we have separate accommodations for Teachers/Leaders. We have a fully equipped kitchen and multi purpose hall with tables and chairs. And yes, we have hot showers and flushing toilets!

SLOW DOWN!

We are passionate about nature and use it as a backdrop for all our camps. Here we focus on the things in life that require no batteries.

Whether we do community projects, leadership development, or anything in between, we love working with people and you will experience it all at Taaibosch.

Taaibosch is the first eco-friendly, off-grid purpose built group camping facility in Durbanville

True North Experiences is an organisation that was founded in Durbanville (Cape Town - South Africa), and has now spread its wings to an even wider audience. We are passionate about working with the youth. We arrange adventure camps and we are educational energisers regarding a wide variety of youth environments, including career guidance, counseling and life coaching. We arrange sport initiatives, local and international school tours, corporate team building and other fun activities.
